AFFIRMATION OF FAITH

Revised August 2018

THE WORD OF GOD We believe that the Bible is the revealed Word of God, fully and verbally inspired, written under the direction of the Holy Spirit. We believe it is without error in the original manuscripts and is true and trustworthy in all that it asserts. It has supreme authority in all matters of faith and conduct.

THE TRINITY We believe that there is one living and true God, eternally existing in three persons, that these are equal in every divine perfection, and that they execute distinct but harmonious offices in the work of creation, providence and redemption.

GOD THE FATHER We believe in God, the Father, an infinite, personal spirit, perfect in holiness, wisdom, power and love. We believe that He concerns Himself mercifully in the affairs of each person, that He hears and answers prayer, and that He Saves from sin and death all who come to Him through Jesus Christ.

GOD THE SON We believe in Jesus Christ, existing eternally as God's Son. In His incarnation He was conceived by the Holy Spirit, born of a virgin, led a sinless life, performed miracles and taught with authority. We believe in his substitutionary atoning death, bodily resurrection, ascension into heaven, perpetual intercession for His people and personal visible return to earth.

GOD THE HOLY SPIRIT We believe in the Holy Spirit, who was sent by the Father and Son to convict the world of sin, righteousness and judgment, and to regenerate, sanctify and empower all who believe in Jesus Christ. We believe that the Holy Spirit indwells every believer in Christ and that He is an abiding helper, teacher and guide.

ANGELS We believe that angels are a distinct order of created spiritual beings; that they can appear in human form; that good angels minister to human beings and serve God as special messengers; that Satan, a fallen angel, and his evil angels whom he leads, exercise great but limited evil power in the world, and will suffer final defeat at the hands of the Lord Jesus Christ.

CREATION We believe that the Triune God created everything - both physical and spiritual - out of nothing. We believe God created human beings, male and female, in His own image and likeness and therefore with unique, intrinsic worth from conception to natural death.

HUMANITY We believe Adam and Eve experienced perfect relationship with their Creator and were appointed stewards of God's originally good creation. We believe they sinned by choosing to disobey God and thereby brought death to the human race.

REGENERATION We believe that all people are sinners by nature and by choice and are, therefore, under condemnation. We believe that those who repent of their sins and trust only Jesus Christ as Saviour are regenerated by the Holy Spirit.

THE CHURCH We believe in the universal church, the living spiritual body of which Christ is the Head and all regenerated persons are members. We believe in the local church, consisting of a community of believers in Jesus Christ, baptized on a credible profession of faith, and associated for worship, ministry and fellowship. We believe that the mission of the church is to bring the good news of Jesus Christ into our lost world.

CHRISTIAN CONDUCT We believe that Christians should live for the glory of God and the well-being of others; that their conduct should be blameless before the world; that they should be faithful stewards of their possessions; and that they should seek to realize for themselves and others the full stature of maturity in Christ.

ORDINANCES We believe that the Lord Jesus Christ has committed two ordinances to the local church: baptism and the Lord's Supper. We believe in Christian Baptism as the immersion of a believer in water in the name of the triune God. We believe that the Lord's Supper was instituted by Christ in order to remember His death. We believe that these two ordinances should be observed and celebrated until the return of the Lord Jesus Christ.

RELIGIOUS FREEDOM We believe that every person is directly responsible to God. Believers should be free to covenant together in autonomous congregations without undue interference from any ecclesiastical or government authority. While respecting the authority of government we affirm the responsibility of the church to speak into the public forum. In matters of disagreement between Scripture and government, we believe we must obey God.

CHURCH COOPERATION We believe that local churches can best promote the cause of Jesus Christ by cooperating with one another in an association of likeminded congregations. Such an organization, whether a district or national conference, exists and functions by the will of the churches. Cooperation in a conference is voluntary and may be terminated at any time. Churches may likewise cooperate with inter-denominational fellowships on a voluntary, independent basis.

LAST THINGS We believe in the personal and visible return of the Lord Jesus Christ to earth and the establishment of His kingdom. We believe in the resurrection of the body, the final judgment, the endless suffering of the unbeliever in Hell and the eternal joy of the believer in the presence of God.

BGCC Pastoral Statement on Marriage in Canada

Approved 05/30/24

We, the Baptist General Conference of Canada (BGCC), understand that each church and pastor within the BGCC will seek to demonstrate the truth and grace of the gospel. Our prayer is that this statement concisely represents the biblical position of the BGCC and support BGCC churches as they work to effectively minister in biblical truth with a posture of grace. We are here to support you, and you are in our prayers as we labour together in building His kingdom.

This pastoral statement is provided to give spiritual guidance to BGCC credentialed pastors and member churches. This is in addition to the BGCC Bylaws, Affirmation of Faith, Pastoral Code of Ethics, and BGCC Pastoral Statement on Sexuality and Gender.

The Baptist General Conference of Canada (BGCC) believes marriage to be a divine gift to society whereby one biologically born man and one biologically born woman are joined together in a lifelong covenant of faithful companionship, extended family connectedness and, in the sovereignty of God, the blessing of children. This physical and spiritual union is intended to create emotional oneness and joy to the glory of God. It also serves as a tangible picture of God's covenant love for the church (Ephesians 5:31-32).

This belief stems from our reading of the Bible, our source of faith and behaviour. We believe that marriage of a man and a woman reflects the original intent of God in creation (Genesis 2:24-25).

To that end, our community of faith cannot endorse marriages of same sex individuals as consistent with what the Bible teaches. Therefore, our pastors may not perform same sex marriages.

We realize not all of Canada understands life in the same way. We will respect the mosaic of pluralism called Canada. We will try to live lives with grace and forgiveness. However, faced with many choices in life, we call Canadians back to the ways of God, including His original design for marriage (Matthew 19:4-6).

BGCC Pastoral Statement on Sexuality and Gender

Approved 05/30/24

We, the Baptist General Conference of Canada (BGCC), understand that each church and pastor within the BGCC will seek to demonstrate the truth and grace of the gospel. Our prayer is that this statement concisely represents the biblical position of the BGCC and support BGCC churches as they work to effectively minister in biblical truth with a posture of grace. We are here to support you, and you are in our prayers as we labour together in building His kingdom.

This pastoral statement is provided to give spiritual guidance to BGCC credentialed pastors and member churches. This is in addition to the BGCC Bylaws, Affirmation of Faith, Pastoral Code of Ethics, and BGCC Pastoral Statement on Marriage in Canada.

The BGCC Affirmation of Faith states:

> We believe the Bible is the revealed Word of God, fully and verbally inspired, written under the direction of the Holy Spirit. We believe it is without error in the original manuscripts and is true and trustworthy in all that it asserts. It has supreme authority in all matters of faith and conduct.

An overarching truth of God's Word is that we live in a world where His design for all aspects of humanity has been corrupted by the fall (Genesis 3). Scripture declares that “all have sinned and fallen short of God’s glory” (Romans 3:23). Our desire is to help all followers of Christ to live a biblically, sexually pure life to the glory of God. Therefore, we believe in a biblical view of marriage, sexuality, gender and gender identity as defined in the BGCC Pastoral Statement on Marriage in Canada and in these two affirmations:

1. With regard to sexual relationships, we believe that God’s standard for sexual expression and activity is reserved for one biologically born man and one biologically born woman within the confines of the marriage covenant relationship. Any sexual expression or sexual activity other than this is outside of God’s design. (Genesis 2:24, Hebrews 13:4, 1 Corinthians 7:2)
2. With regard to gender and gender identity, we believe that God created humanity in His image as male and female. Gender is established by God biologically at conception. (Genesis 1:26-28, Matthew 19:4-6, Psalm 139:13)
